

Sponsorship Opportunities 2016

Sponsorship with Biz Girls™ enhances your exposure to the entrepreneurial and business communities throughout Colorado. The representation of your company logo and brand will help to enhance your identity as a business leader in our state, and show that your company proudly supports leadership and business skills development for girls through entrepreneurship.

Biz Girls™ delivers CEO Accelerator programs and based on demand, after school programs. Our ecosystem includes community stakeholders comprised of businesses, entrepreneurial groups, investors, startups, schools, community interest groups and families. We can run a lean organization and with your generous support we can increase the number of girls' lives impacted.
